

8 Oct - F

Betty told Don, as Don rptd to me, that she had given what to be done on the machines to Mary & me, that she did not want to see one of us idle while she was on the computer - Don split up the lit. rpt about what she complained among the three of us - it turned out to be not so diff' as it had at first seemed - I spent 5 hrs on the rpt

Out outside on the P & C steps  
As wk I tore up some packing boxes to throw down the garbage chute

Went to the Te by bus about 6:45 - dinner had not been served yet, as the Te was fumigated today

I took upstairs my who's part to give to Terry Carter - She wasn't in the off, & Carolyn Layton sd she wd give it to her - see couple were counseling David Lawrence - I also took the last final section for Tim Stoen - I talked w/ Carolyn about the final - she craned me the mss.
