

4 Oct - M

Up at 6⁰⁰ - encountered some difficulty finding what I needed to get things put (up & lunch & dress, but left the apt close to 7³⁰ & arrived in on time

Dor had done some more work on her apt over the weekend but was not up to date yet - I had needed them for a meter & was disappointed that Dor did not have that info - she took the package meter & got Brenda at them which disturbed Dor - actually Brenda had problems arriving at the meter info & was not through by noon

She pointed in - all of us were at the meeting at the day, Mary & ATS & Dr. Tom (C) - I had in 6 hrs on another computer case a U.S. vs. Beck and case

Had time to make only a few

notes for joint entries

Jim Mansfield came in at 4:30
after mass from training & details, Donald
Horsfield - they wanted afternoon
revisions in the Day Cement ^{contract} as well
as avoid new meter - they inquired
whether they could have a print-out
in the morn., but Don was not
in a mood to wait late - they
later left with that ^{morn.} time
time enough

At what I took the bus to the
Coop to buy some fruit & a few
other needed - had an ice cream
cone - made a few purchases in
the new Coop home food store
then I had to heavy loads & carried
around for some time by I find
the bus stop - the the No. 19 &
got off as Henry

Prepared & ate leftovers & washed
dishes away

Put kitchen utensils, silver & a
