Our bus got to the stop at B.W.  
at 9<sup>00</sup> <sup>left</sup> having stopped for a short  
time for an older person to get  
the Cathin & perhaps for other reasons

I ran, washed, started to eat w/  
Sate Tupper - I asked her whether  
big had told her about being off her grandfather -  
she said no, she hadn't seen her

We got the signal to board the buses  
I was through eating - I finished  
my food on the bus, didn't brush  
my teeth

The bus left the stop at 9<sup>45</sup>

I sat the rest of the bus

They went until we got to L.A. at 12<sup>20</sup>

We were not allowed to take luggage  
into the ch. & had to leave it  
bring it into the annex either - had  
to sit on the bus & no luggage  
on the bus - I was angry because we were

slow started at 2

Rides were cringed, announcements  
made - from expect, urged all to  
get their passports - price of  
raised to \$250 on the ground

Board had voted not to pay it

11<sup>1</sup> I got told where to dress - heard  
some critical comments from Lorence  
Tucker who that I was excessively  
modest, that I feared being rejected. 11

11<sup>3</sup> I told Blanche of Lorence's unkind  
thing - Lorence never talks up people to  
the Christians - she is a very kind  
living that it was such a nice way  
to live and she visited with 11<sup>2</sup> people  
ed had the opportunity, not all for people.
