

19 Aug - Th

We were up at 8⁰⁰
For breakfast we had pancakes & syrup
& black currant jam
H/Ben & Laura we started on a
walk to Dillon Lake - we met on the
way an elderly woman, an old-timer
who is in charge of the Summit Historical
Museum, which has been gathering
mementos from the Dillon area. She
showed us through the museum -
I got a couple of post cards to send to
Lou & to Ben & Mary at the off. - we
then continued our walk to the lake, looking
at the condominiums there.

For lunch we had hamburgers
Laura left for Steamboat Springs to
see Lesley's grand, daughter of my mother's
Aunt Ruby.
We saw a beautiful rock garden -
Edna & Edna got some plants from it -
we all had our suits taken in
of it.

We left in Ben's about 2⁰⁰ pm
over Hanson Pass & to night I drove -
I drove until we turned at home
we were home at 5⁰⁰.

I slept for an hr

We dressed & went to the city for dinner - we walked around a rehabilitation center called Lerman Sq & etc at the Lafayette Hotel. - it was a high-class rest - we all had beer & wine - Don got the bill

We then went to a store which sells plants & she took one for project - Joyce, who is a close friend of both Jack & Don, is the daughter & wife of rich man - the father owned the Republic Drug Store & had a furniture store & hardware - Joyce was in the store & is, according to Jack & Don, quite liberal - she is now deeply involved w/ NOW - she has done many services for Jack & Don & they always wait for her when in town - I remember meeting her only once

11 & Don met her yrs ago - when she was working at the bookstore at John's Drug Store

At the port to the airport - her plane wasn't until about 10 - we had a drink & talked w/ her until about 11 - both Edna & I had some items to show her - Edna's were items used in

19 Aug - Th - 2

her teaching, this concerning Alice Morrison's
will, had plans for a walk - I had
a few items and relig. ESP & so on
I was sure she would stop
& miss her place, so we left - we made
good time, getting home about 2
