

3 Aug - T

Aside from the memo from Tracy which I put on the ATS trayed down of one of the outside typed machines - Mary was using mine - I had no other work all day

I worked on final entries - later on I could type excerpts from the CIA file

Mary after she finished work on the trayed down was put on the ATS trayed down, I had instructed her in writing

At lunchtime Tracy & I ate our lunches in the assembly room where we had a film in the employees film series - a film on travel around Scotland was to be shown but it hadn't arrived so we saw one concerning a businesswoman who established an eye clinic research & optical institute

A little discussion followed - I was told that Mary is a narrow eyed person - she has her mother was a

Democrat But she had always had
a sympathy w/ Republican John's -
Dor was present, so she was a
Republican too - she made a reference
to me being invited by being called a
liberal that I don't remember saying
so - she put that down in a red ink
Democrat - Dor has ceased talking about
politics w/ me

I helped Mary make corrections in her
doc, delete & store it, & was a little
late in leaving the office - however I caught
a bus right away & got home earlier
than I have recently

I exercised

I made curry w/ the steak which
was left from the 1st, etc, & washed
dishes

I was very tired & decided to
proceed my quilt section of 16 to
30 Sept, then press some of the clothes
Clare gave me, take a bath & go to
bed

However, Dick T. appeared, wanted
to bring and a tape for me to use -
this was a long tape, mostly unrecorded
by me - it went to the center of a

John Birch publication which had
printed a tip on the Te from a correspon-
dent who had picked up charges of the
Te from a no. of sources - I wanted
me to sign it as a member of the
ch - Birch + it disc'd some of my
reins in & also in the CIP

When he left, I finished my prep
in a bath + pressed through clothes
for a while or so

Didn't get to bed until 1⁰⁰
