

My Dad is probably ~~slightly~~ slightly hostile toward the Church because I spent so much time there and eventually moved to the apt. My sister Judy DeSargent, also go under the name Judy Jackson and Ann Fanzell came to the Church once, left the meeting. She said she would kill Jim Jones because ~~he~~ was frightening my meece by the way he was talking. My brother Tony Fanzell said that Dad should talk more about religion. When I ~~to~~ was in the states they watched the news quite a bit. Might try ~~and~~ <sup>to</sup> start trouble over Tanar.
