I am another one that hambrev-forman thought of as an easy prey. I volunteered to go back earlier. I am still prepared to go.

My personal vengeance would be with Gary but I would try to kill Mertles + Stones - try to set up a "meeting" + blow the fuckers to hell!

I still think I could disguise it with a cover of a sexual triangle to keep the church "clear" - that is a revenge trip. I wrote up a more elaborate discription before. This note is merely a reminder.

In fact - several white nites later - I'm even more prepared to do it. I've had enough since I've been here to make this life worth living + enough of your example to break thru my fears.

P.S. I have no children here - no legal tangles - having had cancer already - there's no reason to believe in a long life - not to mention the constant plotting of the capitalist pigs against us.

If I were to do it, I would supposedly "escape" from here - and ask for hambrev's help. People here could be told whatever - in case there's a leak from here.
