

9 Oct - 5

Got up at 8⁰⁰

Went on the Mountain Stanger, and at the
two mile road, about a 1/2 h down on
Leary, for a good trip.

The bus has to be checked to see my
clipboard which I had forgotten.

Then the bus up Market to Small
St. & ^{at 10⁰⁰} went to the Hairinella side of
Beauty where I had a permament -
I asked for a tight curl - I don't
know operators, a Filipino & a younger
man from Bolivia - the charge was
\$15⁰⁰ - I was through about 12³⁰

I went home on the bus, ate a
couple of apples & a cup of kumbe

I then on the bus to the Coop &
bought some grocery items, mostly fruit,
beer, shampoo & hair oil - I
also bought some soap & I left on the
bus at my house.

After I had my hair done
I went to again to buy some at a
shop on Leary at Hyde, as the Coop

Thoms had been too effusive - did
hit some grapes -

The day was pleasant & sunny
I drank some drinks & read
the paper for a few mins

Had a nap from 5¹⁵ to 6¹⁵
Dressed for the tea -
Caught the bus about 6:30 to
up for dinner

The quantity of food was small
The food, roasted chicken, green
beans, & chive potatoes, was very
good

I had a talk w/ Helen & Bob -
she & Bob were moved from the
5th to the 1st floor - 4 rooms there
of 11 instead of 2 & she will share a
room w/ another person - she also
kindly spoke to Bob about
such a clutter in the living room
wasn't totally satisfied.

The rest of the evening
side conversations, announcements,
congreg singing
