The Schuman ^{pro forma} docs done by both Mary & me came back w/ some errors in them - I corrected mine in about half an hr & ordered an offset print - out of both docs just before lunch

In the meantime I have taken some dictation from Philippe Lamy, an amendment to a Reynolds Hotels contract, which I put a May Cd - I made him a draft & at the close of the day had not yet received it back

At luncheon saw a Canadian Film Board film (just on videotape), "Red Earth, Warm People" showing efforts of a grp of white men among the people of Indonesia - ate my lunch in the assembly room

At 3⁰⁰ Dor, Mary & I met w/ Betty Vail to disc the off procedures &

our differences - Betty allowed each
of us to offer our opinions - Dor was
very defensive & made complaints
and both of us, in my case that
I conspired w/ Mr. [unclear] - she
offered her assignment of who & the
fact that I was not given much on
the computer, alleging that I was slow -
she made a pt. of mentioning [unclear]
of arrival & answers, in the off [unclear]
both of us, while it was her own
culpable, in those [unclear] - [unclear] & I
put the emphasis on her tendency to
give minute & useless, who directions, &
I mentioned her habit of giving out [unclear]
at the end of a day & her [unclear] to
[unclear] the passage of time - Betty [unclear]
as she had just told Dor, that [unclear]
was to give Mary & me [unclear] of [unclear]
if she did any [unclear], [unclear] [unclear] [unclear]
to handle [unclear] & [unclear] [unclear] [unclear]

Saw Phyllis Houston at the bus stop - she has just moved to SF - she had been driving to LA every wk & which in the garage 12 days a wk

Took the bus to the Te & had dinner - I tried to find people who cd ans. some of my questions - Jo Ann Davis sd she had sent vitamins to Blackie Br. for people in our commune - I went up to the law off & saw June Lynn who told me the routine which was followed w/re to the week's needs, getting prescriptions filled, blood supplies & sd on but she advised me to see Terry Carter who wd find me on the office, communal rolls - I went upstairs to find Terry but saw Vernell & Marie first - Vernell sd she wd see me later too

-Bete Parks opened the mtng & handled rules

Announced that mtng ton night at the Te on soc sec, welfare, medical w/ Laurie Egrein

Le Egrein warned that too many complaints had been rec'd about child. misbehaving at mtg - any child so rptd will be dealt

Harry Hines asked me members who
came back on the trip to stand & the
congregation greeted Tom - he told us of a crowd
him of head table - after he had fallen
from the roof

Tom spoke. led some singing,
singing - he then a second offering

Wesley Johnson th an offering by
sum - effort to make the budget
Dale gave resolutions from
the Congress filed up to that
subject.

The meeting was out at about 12³⁰

Dale Murphy + I, w/ several others,
were expected to go home to 1029

Many of us bring back gifts, but she
had to take another load first -
I went out to bus to 12 w/ Dale to

get her suitcase - picked up my lunch
in town - unhappy because it contained
old bread + balme sandwiches

which we had had for dinner - had
wanted to include the old bread in
the talk to be a good example

who still has not given me a key
for my mailbox - all the above
actions were frustrating - Johnny
did not come to take us home until
about 1:30 or I was on the pt of taking
the bus w/ Lela, who seems to be
behaviorally disturbed - I was worried
on acct of the lack of sleep

I did receive my vitamins from
Rocki Bar who was distribg them in
our play

I ate a piece of honey dew melon -
got to bed at 2:10
