

15 Dec - F

Was to the shop morn. - then had  
picked up the print - out

Mary was angry about last night  
& out to told me that but then  
found all - but then some of it  
was started to explain & picture was  
rather as knew enough to help the  
other

John started explaining to me what he was  
and to be sure of the 1st part - I should  
have to tell me to do as much as I can  
to be sure of the 2nd part - I was very  
happy, as corrections had to be made,  
and entered, made, & closed cases  
in order to be sure of the 3rd part

at lunch time I went to the office  
of the BWAA - a commune consultant,  
Frank Schneider, of the "Communication",  
and told him - I was going to be  
sure of the 3rd part, & also to be sure of the  
4th part - I was sure of the 4th part

Then I went to the office of  
some of the had come in to see me - I had  
left for Mary - it included some sewing,  
some typing, & more to fill in the work

I started to show her how to prep notes  
for mailing when Don ret'd - the  
meter was for J. C. Strumberg, next to  
& dept, a high ranking official - he & Betty  
Vasil came down to sign the meter  
was urgent so I got off the computer &  
typed a long memo for him, while they  
did the perusing & mail dist'n - we finished  
the job on time

Her's still improved during the apt  
on the apt & I was allowed to end my  
work on the Lot apt uninterrupted - I did not  
finish before closing time

I finished packing at home & put  
up a bunch for Tom

The my luggage to Parker's apt for me to  
bring in the van, as she said she wd

I turned my check over to Vernell  
Service started at 7:30 - Dave Harrison opened it

Two young girls in my class had been  
very inattentive, talked throughout the  
offerings & were unresponsive to my  
appeals to them - I finally, with the help  
of a secur. man, the their names  
to turn in; I was met w/ a hostile  
attitude - some neighboring women, to  
whom they had given Bible, let me  
take their names as witnesses - later  
I learned from others that they were  
from L.A. & had behaved badly on  
the bus

Dale Parks gave revelations I sang

15-20 - F. 10-3

The notes ended about 12<sup>15</sup>

Vera Tolson and I went to the  
center & the house to get our luggage,  
& we went around a long time in  
the hallway and around the house  
until she finally said - I'll be here  
for Wesley but had the room - at  
last I got to get a room as we  
had become tired. Vera had been in  
the room for me next to Vera  
Tolson

I ate my lunch

Vera has a tendency to talk  
all the time and I went to sleep  
shortly after the house left at 1<sup>15</sup>

I got up at the first stop, went  
to the bathroom & ran
