

18 Oct - M

Mary went home ill

I am working on the Lit Rpt, making final corrections - did a memo for Fletcher on the Cd - it was on labor rd - he was annoyed because some copying done under Dor's instructions was carelessly done

Dor was very tense all day

Had lunch in the office - got a birthday cd for Doris, she has birthday was 3 days ago

Tonight I got off the bus at Hyde & got some fruit at the stand there

Went to the Te about 6:30 - talked w/ some of people - Sharon Amos has a job as leg cmt & is also learning off procedures (in a local firm) - Ed & I discussed the intern. mt

The day for putting in for needs in the commands has been changed from M to T
