

25 Aug - W

Dor was back - told her of my vacation

In the morn I put on traced a short item for Maggie

I mailed a check to the Coop Credit Union w/c payee on my loan & a deposit

Ate lunch quickly @ my desk
Th the bus up to mission & pd my teleph bill & then pd my bill at P&E

Maggie brnt back the Somerich affidavit (for the third time) w/ sev. changes in both Fr & Eng - Dor had the bnd doc on trayed & I entered the changes, but doing the French version was quite a chore & I had to put in w/ pen the accord marks - then Maggie brnt the Fr. version back for another change - I barely finished by closing time
Went home about 5³⁰

sleep from 5:45 to 6:45

|| Mary had some work on the computer - she is enjoying her A.T.S. class more than she did at first ||

Got a quick dinner
I wanted to go to see
Magnolia had told me she would
call me & I had done a lot of
& Marshall Jones - to go to the
up around 4:30

Remembered to see
people going on the bus to L.A.
got their place for a while
and he going (mid of the way)
the buses are communal - it
was told that in L.A. they
asked how many people living there
intended to move to SF -
responded that he had not
studied & he is his kind

Half of the people
was in the...

25 Aug - W-2

The noise in the audit, was worse than usual

I on potassium at 850

I summarized the conditions of iron under the Shah's regime & into power & to be good

The Shah's noise was... that in possible... there is drought in regions... actually be... occurring -... correctors - In... gave an 85% estimate... bypass -... dictions -... by... be combined...

I... he talked at length... whom he called... 1971

did not - she had phoned Bob's
mother & startled her by saying
he had been murdered. I think
she had sexual relations w/ a
minor child, had taught
x alcohol self protection to a young
girl or welfare (prob. dance) - she
was living at her father's
father's & stood to inherit a good
deal of money but she was obviously
not happy.

Harry (I doubt he may have
been the following day's (example)
had at the public museum in
Day. is a concentration camp &
that people at that escape - I am
the land that any had to go to
was lower cost & took to a
home & restriction was obligatory -
Harry had made his transactions
indicate to the use this.

I went into a couple of
the week returns & then I
I was in the car, and I
lost of other things as well as the

25 Aug - W - 3

Wh on cars & buses - he was very
severe about these regulations - he
seemed very discouraged & con-
trasted that loose behavior of many
of our members of his own twenty - four
his conviction to our welfare - he
didn't let the story for who ever
etc to get in the bus to get a A - if
we can't be changed then of course
we were unable they just made
demands on them - (the one of people)
